

**My Life, My Health:  
Living with Chronic Conditions  
Evaluation Project**

**About this Workshop Evaluation Packet**

**To the Group Leaders:** Thank you for leading this Workshop! Your help in collecting information using the forms described below will enable us to learn about the people who are taking this workshop, so that we can determine how best to serve all members of the community. We appreciate your help.

**1. Overview of Forms:** This packet includes the following survey forms required for your Workshop:

Form	Description	Purpose	How to Use
1. <b>Workshop Information Cover Sheet</b>	1 page, double-sided. One per workshop.	Records all the details about the location, dates, leaders, and enrollment of this workshop.	Fill in the requested details about your workshop. Use as a cover sheet for the packet of forms that you return to the Survey Coordinator. (Make a copy if you are sending the workshop forms in more than one batch, and send a copy with each batch.)
2. <b>Attendance Log</b>	1 page, single-sided. One per workshop.	Records attendance by session for each participant.	At the first session, write the names of participants as they are provided on their <i>Pre- Workshop Survey</i> (see below). Record each person's attendance at each session for all six weeks.

**2. What Group Leaders need to know about the confidentiality of Participant Information.**

Participants are asked to provide a small amount of demographic data and self-reported health information on the surveys. Be assured that their forms will be protected and there will be no identifying information connected to their responses.

**Sample script that Group Leaders may read to the participants regarding the confidentiality of their information:**

- We (Group Leaders) will maintain these paper forms securely and privately until we send them to the Survey Coordinator for the State.
- The Survey Coordinator will enter the information into a database. The information will be compiled with information from workshop participants around the country. The information stored in the database will *not* include your names or any information that identifies you.
- The paper forms will be stored securely by the Survey Coordinator until they are destroyed after 2 years.
- While you may leave any question blank, we encourage you to complete the Survey. Summarized information from all participants will help us demonstrate how this program is serving people who will benefit the most.
- You are asked to provide your name on the *Participant Information Survey*. This is *only* so that the Survey Coordinator can correctly match the data from the *Survey* with the attendance information that we record on an *Attendance Log*. The Survey Coordinator must be able to tell which *Survey* goes with which row on the *Attendance Log*.

**3. What to do with the completed forms**

At the end of the 6-session Workshop, please check to see that the participant names written on the *Attendance Log* match the names provided on the *Participant Information Surveys*, and that all forms are as complete as possible. Clarify any unclear responses with participants (blanks, cross-outs, multiple responses when one response is requested, etc.). Return all the completed forms ( *Workshop Information Cover Sheet*, *Attendance Log*, and *Participant Information Surveys*) within 2 business days after the last session to the Program Coordinator.

***If you have any questions or concerns about these forms, please contact your Program Coordinator [provide contact information]***
